

PRICE LIST FOR HF-VENEER PRESSES

electro-hydraulic press with automatic switch

valid from 01.04.2021

Type		EURO
<u>V 20</u>	press surface 120 x 80 cm , 2 cylinders, heave 35 cm press pressure 20 tons = 2 kg/cm ²	
V 20 S	standard version	7 950,00
V 20 A	with aluminium sheeting	8 950,00
V 20 W	heated with water, connected left or right, type HF	10 300,00
V 20 E	with electric heating plates à 2 kW	12 000,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates clock for automatical opening	350,00 410,00
<u>V 40</u>	press surface 220 x 110 cm , 4 cylinders, heave 35 cm press pressure 40 tons = 1,7 kg/cm ²	
V 40 S	standard version	11 600,00
V 40 A	with aluminium sheeting	12 800,00
V 40 W	heated with water, connected left or right, type ELKOM	16 400,00
V 40 E	with electric heating plates à 5 kW	17 300,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates extra charge on model for disassembly clock for automatical opening	800,00 1 600,00 410,00
<u>V 50</u>	press surface 220 x 125 cm , 4 cylinders, heave 40 cm, press pressure 50 tons = 1,8 kg/cm ² , automatical opening by timer	
V 50 A	with aluminium sheeting	16 300,00
V 50 W	heated with water, connected left or right, type ELKOM	22 900,00
V 50 E	with electric heating plates à 5 kW	21 600,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates extra charge on model for disassembly	850,00 1 630,00
<u>V 60</u>	press surface 250 x 110 cm , 6 cylinders, heave 35 cm, press pressure 60 tons = 2,2 kg/cm ² , automatical opening by timer	
V 60 A	with aluminium sheeting	17 200,00
V 60 W	heated with water, connected left or right, type ELKOM	23 900,00
V 60 E	with electric heating plates à 8 kW	22 400,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	850,00

Costs of installation upon agreement. Prices for other sizes or technical modifications on demand.
All prices quoted are ex works without VAT, without duty. Guarantee 2 years.

PRICE LIST FOR HF-VENEER PRESSES

electro-hydraulic press with automatic switch

valid from 01.04.2021

Type		EURO
<u>V60</u>	press surface 250 x 125 cm , 6 cylinders, heave 35 cm press pressure 60 tons = 2 kg/cm ² , automatical opening by timer with aluminium sheeting	19 300,00
V 60 A	heated with water, connected left or right, type ELKOM	26 000,00
V 60 E	with electric heating plates à 8 kW	24 500,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 000,00
<u>V 100</u>	press surface 250 x 125 cm , 6 cylinders, heave 40 cm press pressure 100 tons = 3,2 kg/cm ² , automatical opening by timer with aluminium sheeting	24 800,00
V 100 A	heated with water, connected left or right, type ELKOM	31 300,00
V 100 E	with electric heating plates à 8 kW	29 600,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 000,00
<u>V 80</u>	press surface 300 x 125 cm , 6 cylinders, heave 40 cm press pressure 80 tons = 2,1 kg/cm ² , automatical opening by timer with aluminium sheeting	26 800,00
V 80 A	heated with water, connected left or right, type ELKOM	34 400,00
V 80 E	with electric heating plates à 12 kW	31 800,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 300,00
<u>V 120</u>	press surface 300 x 125 cm , 6 cylinders, heave 40 cm press pressure 120 tons = 3,2 kg/cm ² , automatical opening by timer with aluminium sheeting	29 400,00
V 120 A	heated with water, connected left or right, type ELKOM	39 400,00
V 120 E	with electric heating plates à 12 kW	36 800,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 300,00
<u>V 120</u>	press surface 300 x 150 cm , 6 cylinders, heave 40 cm press pressure 120 tons = 2,6 kg/cm ² , automatical opening by timer with aluminium sheeting	34 300,00
V 120 A	heated with water, connected left or right, type ELKOM	43 300,00
V 120 E	with electric heating plates à 14 kW	41 600,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 500,00

Costs of installation upon agreement. Prices for other sizes or technical modifications on demand.
All prices quoted are ex works without VAT, without duty. Guarantee 2 years.
