

PRICE LIST FOR HF-VENEER PRESSES

electro-hydraulic press with automatic switch

valid from 01.05.2022

Type		EURO
<u>V 20</u>	press surface 120 x 80 cm , 2 cylinders, heave 35 cm press pressure 20 tons = 2 kg/cm ²	
V 20 S	standard version	10 335,00
V 20 A	with aluminium sheeting	11 635,00
V 20 W	heated with water, connected left or right, type HF	13 390,00
V 20 E	with electric heating plates à 2 kW	15 600,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates clock for automatical opening	455,00 535,00
<u>V 40</u>	press surface 220 x 110 cm , 4 cylinders, heave 35 cm press pressure 40 tons = 1,7 kg/cm ²	
V 40 S	standard version	15 080,00
V 40 A	with aluminium sheeting	16 640,00
V 40 W	heated with water, connected left or right, type ELKOM	21 320,00
V 40 E	with electric heating plates à 5 kW	22 490,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates extra charge on model for disassembly clock for automatical opening	1 040,00 2 080,00 535,00
<u>V 50</u>	press surface 220 x 125 cm , 4 cylinders, heave 40 cm, press pressure 50 tons = 1,8 kg/cm ² , automatical opening by timer	
V 50 A	with aluminium sheeting	21 190,00
V 50 W	heated with water, connected left or right, type ELKOM	29 770,00
V 50 E	with electric heating plates à 5 kW	28 080,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates extra charge on model for disassembly	1 105,00 2 120,00
<u>V 60</u>	press surface 250 x 110 cm , 6 cylinders, heave 35 cm, press pressure 60 tons = 2,2 kg/cm ² , automatical opening by timer	
V 60 A	with aluminium sheeting	23 220,00
V 60 W	heated with water, connected left or right, type ELKOM	32 265,00
V 60 E	with electric heating plates à 8 kW	30 240,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 150,00

Costs of installation upon agreement. Prices for other sizes or technical modifications on demand.
All prices quoted are ex works without VAT, without duty. Guarantee 2 years.

PRICE LIST FOR HF-VENEER PRESSES

electro-hydraulic press with automatic switch

valid from 01.05.2022

Type		EURO
<u>V60</u>	press surface 250 x 125 cm , 6 cylinders, heave 35 cm press pressure 60 tons = 2 kg/cm ² , automatical opening by timer with aluminium sheeting	25 090,00
V 60 A	heated with water, connected left or right, type ELKOM	33 800,00
V 60 E	with electric heating plates à 8 kW	31 850,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 300,00
<u>V 100</u>	press surface 250 x 125 cm , 6 cylinders, heave 40 cm press pressure 100 tons = 3,2 kg/cm ² , automatical opening by timer with aluminium sheeting	32 240,00
V 100 A	heated with water, connected left or right, type ELKOM	40 690,00
V 100 E	with electric heating plates à 8 kW	38 480,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 300,00
<u>V 80</u>	press surface 300 x 125 cm , 6 cylinders, heave 40 cm press pressure 80 tons = 2,1 kg/cm ² , automatical opening by timer with aluminium sheeting	34 840,00
V 80 A	heated with water, connected left or right, type ELKOM	44 720,00
V 80 E	with electric heating plates à 12 kW	41 340,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 690,00
<u>V 120</u>	press surface 300 x 125 cm , 6 cylinders, heave 40 cm press pressure 120 tons = 3,2 kg/cm ² , automatical opening by timer with aluminium sheeting	38 220,00
V 120 A	heated with water, connected left or right, type ELKOM	51 220,00
V 120 E	with electric heating plates à 12 kW	47 840,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 690,00
<u>V 120</u>	press surface 300 x 150 cm , 6 cylinders, heave 40 cm press pressure 120 tons = 2,6 kg/cm ² , automatical opening by timer with aluminium sheeting	44 590,00
V 120 A	heated with water, connected left or right, type ELKOM	56 290,00
V 120 E	with electric heating plates à 14 kW	54 080,00
<i>accessories:</i>	extra charge on model with golden eloxated surface of the electric heating plates	1 950,00

Costs of installation upon agreement. Prices for other sizes or technical modifications on demand.
All prices quoted are ex works without VAT, without duty. Guarantee 2 years.
